

**September 27<sup>th</sup>, 2023**

**Dear Parents, Coaches and Schools,**

The world's leading African talent placement group, **World Wide Scholarships**, has been linking talent with global opportunities for 23 years and is pleased to launch the WWS Scouting Camp 2023. We invite all young talented athletes to attend.

This is a multi-disciplinary talent scouting event with an opportunity for the young athletes to showcase their skills in front of talent and development scouts from some of the world's foremost sporting organizations. Life-changing opportunities, at universities and or with professional federations, are on offer for athletes who impress the local and international talent scouts.

This year will feature the most sporting codes and the largest convergence of talent scouts in its history to compensate for the lack of regular sporting events during the COVID-19 lockdown. The camp is an opportunity for African talent to showcase their skills and interact with top coaches and scouts.

The event will bring together top international talent identification experts in the following sports:

**AMERICAN FOOTBALL/RUGBY  
FIELD HOCKEY  
ATHLETICS  
SOCCER  
BASKETBALL**

The camp will be held on:

**Johannesburg 2<sup>nd</sup> – 3<sup>rd</sup> December, 2023.**

**Cape Town 9<sup>th</sup> – 10<sup>th</sup> December, 2023**

**Durban 11<sup>th</sup> – 12<sup>th</sup> December, 2023**
